Dear Sir,

Following your letter concerning Mr. Gilbert ERUARD who was, fifteen years ago, the Cultural Attaché of the Embassy of France, Cultural Section, I would like to underline that at the present time, we do not have his address.

Unfortunately, the French Ministry of Foreign Affairs – Department of Human Resources, does not keep the addresses of the office staff who left his services more than ten years ago.

Yours sincerely

Bernard MALAUZAT
Counsellor for Science, Culture & Development
